

PCV State Dressage and Show Jumping Championships

Each year PCV run a Dressage and Show Jumping State Championships. Each of the 10 zones in PCV select riders to attend these championships and represent their zone. (In accordance with PCV Bylaw 37.4)

Teams are made up as follows:

Showjumping – Top 4 Combinations plus one reserve are selected for grades PA, PB, PC & PD.

Dressage – Top 3 Combinations plus one reserve are selected for grades 1, 2, 3 & 4

2021 PCV State Showjumping and Dressage championships is being held at **Benalla Equestrian Centre**

Dates:

- Showjumping - 27th of February 2021
- Dressage - 28th of February 2021

North Eastern Zone – Showjumping/Dressage Selection Criteria

Zone Representative will use results from 2020 NEZ Showjumping and Dressage events to select the final teams.

To be considered for the NEZ State Team for Dressage and/or Showjumping, combinations will need to attend a minimum of 51% of Zone events that run i.e. if only 3 dressage then combinations must attend at least 2. Best results from these events will be used.

If there are vacancies in Grades PA & PB (Showjumping) and Grades 1 & 2 (Dressage), additional NEZ members may be selected if they can demonstrate a satisfactory performance using other PC events or equivalent EA/EV results on a combination in the previous 6 months. (NOTE - First preference will be given to those combinations who have qualified via NEZ events)

Team selection is not solely based on competition results, the riders and parents' ability to uphold PCV values and conduct themselves in a professional, friendly, and good sportsmanship like manner will also be taken into consideration. Being the best of our Zone isn't just about performance.

To be eligible riders must have completed C efficiency certificate, as per PCV Bylaw 34.11a "Riders who have been in pony club for more than two years and are aged 14 years & over must have attained their "C" Certificate in order to complete at any state or national competition."
